

BC22X45ZAS

MOSAIC standard

22.5x45mm blanking plate

A blanking plate made to MOSAIC 45x45 standard, but occupying half the standard space. It allows masking an empty space next to a 22.5x45mm adapter for a single Keystone.

Technical specifications

22.5x45mm blanking plate

Dimensions	22.5 x 45mm
Quantity per package	1pc
Color	RAL 9010

MOSAIC, or one standard

The MOSAIC standard is a standardized size of 2x2 inches, or approximately 25x25 mm. Surface-mounted or concealed elements included in the so-called 'white assembly', such as LAN, electrical, and multimedia elements like electrical sockets, telecommunications adapters, or multimedia modules, are made in this standard. This standardized size ensures that the adapter will fit most supports mounted in frames as well as in trunking in surface installations.
