CCAS-PW4-0810S

4-fan unit for 1000mm deep standing cabinet

The ventilation panel supports air circulation inside a network cabinet. It is designed for installation in the roof of a 19” free-standing distribution cabinet of the CCSS type with dimensions of 600 × 1000 mm and 800 × 1000 mm.
The panel is equipped with four fans. It does not include a thermostat, but an optional opening thermostat (BTHERMOST) can be installed.

Technical specifications
