

CCAS-PLUGTOOL-EZ-001

Crimping tool for EZ RJ45 straight-through plugs

Multifunctional crimping tool for EZ RJ45 8P8C pass-through plugs, enabling quick and easy crimping of copper cable wires.

Technical specifications

Crimping tool for EZ RJ45 straight-through plugs

The cable cutting and insulation stripping function makes it a practical tool that is a must-have in any toolkit. The tool is not suitable for terminating wires in standard RJ45 connectors.
