CCAS-PLUGTOOL-RJ-001

Crimping tool for RJ45 plugs 8P+6P, 6P+4P

Essential crimping tool for terminating conductors in 8P/RJ45, 6P/RJ12, 6P4C/RJ11 connectors

Technical specifications

Crimping tool for RJ45 plugs 8P+6P, 6P+4P

Precise crimping thanks to the parallel converging die. Built-in cutter and stripper for telecommunications cables. High crimping quality due to a lock that allows the pliers to open only when the connector has been fully crimped.
