CCAS-PW2-060XW

Ventilation panel for wall-mounted cabinets (2 fans)

The ventilation panel supports air circulation inside a network cabinet. It is designed for installation in the roof of a 19” wall-mounted distribution cabinet of the CCSW type, regardless of size.
The panel is equipped with two fans. It does not include a thermostat, but an optional opening thermostat (BTHERMOST) can be installed.

Technical specifications

Ventilation panel for wall-mounted cabinets (2 fans)

Compatible model	CCSW-060x-xxU
Number of fans	2
